Dear Sir:

In reply to your note of November 29th, we ceased to issue "The American Journal of Numismatics" quite a few years ago. In its place we publish from time to time "Numismatic Notes and Monographs", and I am pleased to enclose a list of the series. We should be glad to have your order for any that might attract you, and may we suggest that an Associate Membership in our Society, with annual dues of five dollars, would bring to you the publications of the year much less under cost for single monographs. To this end we hope you will wish to take advantage of the enclosed card.

Yours very truly,

Secretary.
